

The Parents, Teachers and Friends Association at Bollinbrook are a registered charity who work hard to try and raise funds to support the school in providing additional resources for the children. We have 3 main committee members: Sarah Cassie (Chair), Emma Hopkins (Secretary) and Karen Dyckhoff (Treasurer), but many of the parents help to support us in our activities – anything from baking cakes to manning a stall at an event!

We also run and support fun activities for the children in school to help make their time at Bollinbrook a happy and memorable one.

We have funded reading books, competition prizes and the welcome teddies for the new intake into Early Years. We have also helped to fund Christmas events for the children, educational activities to support their learning and provided gifts and cakes for school leavers.

The Covid pandemic has meant we have been largely unable to run fundraising events as we have in the past, and as restrictions are eased, we look forward to starting things up again in earnest. We are always on the look-out for people to join us or help support our fundraising. There are many ways that you can do this – here are some of them:
